Buyer must inform SDI LaFarga of its intent to place a forward buy. Buyer must allow SDI LaFarga time to consult with its hedging department. If SDI LaFarga agrees to this transaction, pricing will be based on active market future Comex pricing, plus Fabrication Adder, plus a purchase premium per the above schedule. Any drop-in or forward buy purchase order is firm and noncancelable. Comex pricing active months are December, March, May, July and September.
